Loegering Manufacturing Inc., hereafter referred to as Loegering, warrants the new Product manufactured or sold by it, to be free, under normal use and service, of any defects in material or workmanship for twelve (12) months in the case of its attachments, 12 months or 1000 hours, whichever comes first, on a prorated basis, in the case of its tracks, or 90 days, in the case of refurbished attachments from (a) delivery to, and placement into service by the first user (including as a demonstrator or rental unit) or (b) delivery to the first retail purchaser, whichever occurs first; provided that Loegering receives written notice of the defect within thirty (30) days of its discovery and Buyer establishes that (i) the equipment has been maintained and operated within the limits of rated and normal usage; and (ii) the defect did not result in any manner from the intentional or negligent action or inaction by Buyer, its agents or employees. Buyer must, at Buyer’s expense, return the defective equipment and parts to the authorized Loegering Dealer from which the equipment and or parts were purchased, and if Buyer cannot establish that conditions (i) and (ii) above have been met, then this warranty shall not cover the alleged defect. The term “Products” shall include only the following equipment manufactured by Loegering:

VTS
Steel Track
Eliminator
Mud Bucket

No claim under the Warranty will be reimbursed without proper Warranty registration documentation on file.

The obligation and liability of Loegering under this warranty is expressly limited to, at Loegering’s sole option, repairing or replacing, or in the case of its tracks providing a prorated allowance for, new or refurbished products or components, any part, which appears, upon inspection by Loegering, to have been manufactured or marketed under defective material or workmanship. Such parts shall be provided at no cost to the owner, from the Dealer from which the parts were purchased. This warranty shall be null and void if parts (including wear parts) other than genuine OEM Loegering parts are used in the equipment or repairs or replacements are performed by a party other than the authorized Dealer. No warranty shall cover any item on which serial numbers have been altered, deleted, or removed.

Accessories, attachments, assembly, and components included in the equipment sold by Loegering, which are not manufactured by Loegering, are subject to the warranty of their respective manufacturers. Normal maintenance, adjustments, or maintenance/wear parts are not covered by this warranty and are the sole maintenance responsibility of Buyer.

No employee or representative is authorized to modify this warranty unless such modification is made in writing and signed by an authorized officer of Loegering sought to be bound by such modification. The obligations of Loegering under this warranty shall not include duty, taxes, environmental fees, including without limitation disposal or handling of rubber tracks, or any other charges whatsoever, or liability for indirect, incidental, or consequential damages. Improper maintenance, improper use, abuse, improper storage, operation beyond rated capacity, operation after discovery of defective or worn parts, alteration or repair of the equipment by persons not authorized by Loegering which sold such equipment shall render this warranty null and void.

Loegering reserves the right to inspect the installation of its Products and review maintenance procedures to determine if the failure was due to improper maintenance, improper use, abuse, improper storage, operation beyond rated capacity, operation after discovery of defective or worn parts, or alteration, modification or repair of the equipment by persons not authorized by Loegering. Loegering reserves the right to make improvements or changes to its Products without incurring any obligation to make such changes or modifications to Products previously sold.

Parts Warranty: Loegering warrants its Dealer-installed OEM replacement parts to be free of defect in manufacture or materials for a period of ninety (90) days from the date of end user purchase. Parts fitted by the authorized Dealer during an equipment warranty repair will take on the remaining equipment warranty. Loegering warrants its Dealer-installed OEM replacement tracks to be free of defect in manufacture or materials for a period of one (1) year from the date of end user purchase. Reimbursement for any replacement tracks subject to this warranty shall be prorated on a monthly basis, from the date of purchase.

TRANSFERABILITY OF WARRANTY: The unexpired portion of this warranty may be transferred, provided that (i) the warranty has not been voided or breached by the transfer or prior to transfer, and (ii) Loegering has received warranty registration for the remaining equipment warranty. Loegering warrants its Dealer-installed OEM replacement tracks to be free of defect in manufacture or materials for a period of one (1) year from the date of end user purchase.

DURATION OF WARRANTY: Loegering’s product warranties will activate two (2) years from the date of invoice regardless of use, and will expire three (3) years from the date of invoice regardless of hours of use.

THIS WARRANTY IS EXPRESSLY IN LIEU OF AND EXCLUDES ALL OTHER WARRANTIES, EXPRESS OR IMPLIED (INCLUDING THE WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE) AND ALL OTHER RIGHTS OR LIABILITIES ON THE PARTS MANUFACTURED OR SOLD BY LOEGERING. THERE ARE NO WARRANTIES THAT EXTEND BEYOND THE LIMITED WARRANTY CONTAINED HEREIN.

ITEMS NOT COVERED BY THIS WARRANTY

The following items are NOT covered by this warranty: (the following list is not all inclusive)

1. Non-Distributor Sales: Items sold by any individual, corporation, partnership, auction entity or any other organization or legal entity that is not an authorized Dealer.
2. Non-Loegering Components: Components which are not manufactured by Loegering and result from the failure of its Products or parts. Such components are covered only by the warranty that is provided by their manufacturer. Such components include, but are not limited to, attachments, track, rolling components. Loegering does not warrant that any attachments or other parts not manufactured by Loegering will function properly or will not cause damage when used in connection with the products of Loegering.
3. Replacement of assemblies: Loegering has the option to repair or replace any defective unit or assembly. It is the policy of Loegering to refuse claims for the repair or replacement of a complete assembly field repaired by the replacement or repair of defective parts(s) within the assembly.
4. Normal Operational Maintenance Services and Wears Parts: Maintenance services and wear parts are excluded from warranty claims. Maintenance services not covered by the warranty which are not limited to, such items: lubrication, cleaning, equipment inspection or adjustment, or the replacement of any service items made in connection with normal maintenance services.
5. Transportation: Any damage caused by carrier handling or repair shall be the responsibility of the respective carrier.
6. Deereization: Repairs, work required or parts exposed as the result of age, storage, weathering, lack of use, demonstration use, or for transportation of corrosive chemicals.
7. Secondary Failures: Should the Buyer continue to operate a machine after it has been noted that a failure has occurred, Loegering will not be responsible under this warranty for resultant damage to other parts due to continued operation.
8. Warranty of Others: Loegering does not accept responsibility for improper installation or labor costs.
9. Stop and Go Warranty: Loegering does not recognize “Stop and Go” warranties; after the period of warranty commences, it shall not be tolled for any reason. No action on the part of any party shall operate to extend or revive this limited warranty without the prior written consent of Seller.
10. Incidental or Consequential Damage: LOEGERING SHALL NOT BE LIABLE FOR ANY INCIDENTAL OR CONSEQUENTIAL DAMAGES OF ANY KIND, INCLUSIVE, BUT NOT LIMITED TO: INCIDENTS, DAMAGES, NEGLIGENCE, INCREASED OVERHEAD, LOSS OF BUSINESS OPPORTUNITY, DELAYS IN PRODUCTION, COSTS OF REPLACEMENT COMPONENTS AND INCREASED COSTS OF OPERATIONS THAT MAY ARISE FROM THE BREACH OF THIS WARRANTY. WHETHER OR NOT DIRECT, OR INDIRECTLY, OR ANY NEGLIGENCE OF LOEGERING. Customer’s sole remedy shall be limited to (at the sole option of Loegering) repair or replacement of the defective part.
11. Diagnostic Labor: Loegering shall not be responsible for diagnostic labor, travel mileage, travel labor or related travel expenses (such as meals and lodging), overtime or premium labor rates.
12. Customer Responsibilities: Loegering shall not bear responsibility for labor, travel, material, travel labor or related travel expenses (such as meals and lodging), overtime, or premium labor rates.

Loegering neither assumes nor authorizes any other person to assume for Loegering any other liability in connection with the sale of any Loegering equipment. This warranty shall not apply to any Loegering equipment or any part thereof which has been subject to misuse, alteration, abuse, negligence, acts of God or sabotage. No action by any party shall operate to extend or revive this limited warranty without the prior written consent of Loegering.
